

STOCKHOLM MEETING

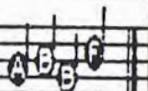

One week before the fanclubday Anita brought a visit to a cold and windy Stockholm. Here is her report.

This time I had a busy week and I met a lot of new friends. I had the feeling that something was going on and I was right. Björn gave an interview on the swedish radio but unfortunately I missed it.

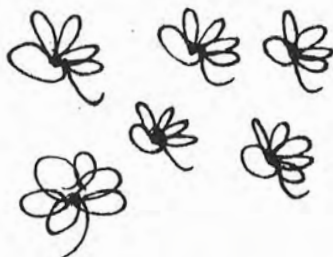

On tuesday I met Agnetha. The weather was awful, it was raining but as soon as she appeared the sun came through. I showed her my book with the photo's of her birthday. We spoke about that and the photo's which were in the newspaper. I was happy to hear that Agnetha wanted to forget about it. She told me that she didn't blame us. I promised to give her a photobook as a memory. I could see that she liked it because she wanted to keep mine. We spoke about the press and Agnetha told me that it made her sad: especially what they wrote about Benny (ABBA-affair). I didn't ask her if she had plans because I know that when she has, she would surely tell us. I asked her to write down a christmas wish. I wished you could have seen her face. A christmas wish now, but it's just october ... She started to laugh and then she asked what to write. I think she found it rather funny but then I explained her that we would start to make a new magazine right after the fanclubday. Anyway she wrote a nice swedish wish for you all. After that we said goodbye because Agnetha had an appointment and we had a bus to catch.

On wednesday I had an appointment with Görel. It was the first time that we went to talk in the Mono Music office. Polar music isn't longer in the same building; they went back to the old place. It was very busy in the office as the telephone rang very often. While I was waiting I could hear Benny play.

STOCKHOLM MEETING

GOD JUL & GOTT NYTT ÅR!

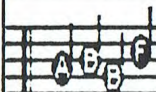

GÖREL

I thanked Görel for being so kind to us and for her great help. She smiled and said 'you're welcome'. Then I asked her some questions;

- A: Do you know when the bird-CD will be released ?
G: In 3 weeks. It will be nice for the fans to know also something about birds in Sweden. (She also gave me an information-sheet on it)
A: Will the melody from "Upp till kamp" as they played it on the opening of the championship be released on any CD or LP ?
G: No, that will not happen.
A: Is there more news about the Ainbusk Singers ?
G: Yes, a single "Lassie" has been released and on the 25th they have their premiere.
A: When will the folk-LP be released ?

STOCKHOLM MEETING

G: This will be released next week. (And she showed me the recordsleeve.)

A: And what about the musical ?

G: Well, the musical will be based on a book of Vilhelm Moberg "Utvandrarna". It is about swedish emigrants going to America. Benny and Björn will write at least 2 years. The premiere will take place in Stockholm.

A: Will there be a TV-show of Frida concerning the environment ?

G: That isn't sure at the moment but I'm sure you know it when it happens.

I thanked her for this short interview and also she wrote a christmas-wish for you. Further she asked Benny if he had time but he was too busy. I thought it the best not to disturb him from working and I am sure that he has appreciated this.
