### THE FOUR ABBA MEMBERS AT THE SAME PARTY !!

*Expressen and Aftonbladet August 18, 1998.*

Yesterday the boss for the concert arranger EMA-Telstar Thomas Johansson celebrated his 50th birthday at Cirkus in Stockholm. The actual date is on Wednesday the 19th.

All four members of ABBA attended the party. Björn was acting as toastmaster and had all the guests singing "With A Little Help From My Friends". Björn, Benny and Frida sang a song together (Agnetha didn't participate). And Frida sang "Shine On You" alone for Thomas, which is his favorite song.

Agnetha arrived with Görel Hanser and a friend, Björn with his wife Lena, Frida with Ruzzo and Benny came alone.

Among the other guests were Marie Fredrikson from Roxette, Joey Tempest (anyone remember the singer from Europe?), Per Gessle, Marie and Tomas Ledin.
